On behalf of The Children's Hospital Foundation, I would like to thank you personally for your leadership and commitment to the ForeRunner Golf Tournament fundraising event. We are very thankful for your efforts; it is wonderful to see such a high level of dedication from the community in support of the families who count on The Children's Hospital each day of the year.

The Children's Hospital depends on philanthropic support to adequately maintain and expand the numerous programs and services we provide throughout Colorado and beyond. The generosity of our donors allows Children's to continue to stay at the forefront of pediatric healthcare research while offering pre-eminent family-centered care.

Since 1908, thousands of donors, volunteers and friends just like you have supported Children's with gifts, time and talent. We especially want to recognize this generosity because it has helped Children's provide pediatric care to more patients than at any other time in its history.

Thank you again for your commitment and generosity.

Warm Regards,

Lindsey Alexander
